Christmas in Alsace, a gourmet Christmas

The scent of Bredalas, Manalas, Beraweckas and mulled wine perfumes the streets of our towns and villages.

In Alsace, Christmas is a time for good food, and our artisanal traditions are passed on from generation to generation.

The "Fermes de Noël" label

promotes farmers who give visitors both a little taste of farming life on their farms decorated in Christmas colours and an insight into the local produce at the heart of our region's identity.
